

Congratulations: Advanced Logistics has made the 2011 Inc. 500|5000

Dear Jeffery,

Congratulations: For the 3rd time, Advanced Logistics has made the Inc. 500|5000 list of the fastest-growing private companies in America.

With this accomplishment Advanced Logistics joins the rarified company of enterprises that have appeared on the list on the list multiple times, many of which have grown to become national icons.

Your extraordinary success is truly worth celebrating. One way to do so is to join your colleagues and peers at the [30th Annual Inc. 500|5000 Conference and Awards Ceremony](#), which is being held September 22–24, 2011, at the Gaylord National Resort and Convention Center in Washington, D.C. The event sells out year after year, so register early plus, you will save \$400 per attendee by registering before August 8).

While we know that trumpeting your company's achievement as a 3-time Inc. 500|5000 honoree can make a powerful statement to clients and investors, we request that you refrain from any public announcement of your inclusion until August 23, when each company's rank will be made available in a major public release of this year's list.

Sincerely,

A handwritten signature in cursive script that reads "Jane".
